Letter of Authority

19 February 19

Dear Sir/Madam

This is to confirm that Heather Duff is organising her fourth Hockey Festival fundraising event on behalf of Maggie's Cancer Care Centre.

The original event is being held on Saturday 13 July with all proceeds going towards Maggie's Edinburgh. This year she is also organising the event for the Under 12s on Sunday 17 March and Under 14s on Sunday 9 June. For any queries about how to get involved with this fundraiser, please contact Heather on 07762 777439 or heather@fucancer.co.uk

Maggie's Centres are very special places where people with cancer, their family, friends and carers can receive emotional and psychological support. The centres are homely, welcoming places where people affected by cancer can go to talk to our specialists and use a wide variety of support services designed to empower people to live positively with cancer.

Maggie's rely totally on voluntary donations both for its capital costs and its on-going running costs so we are most grateful to you for your support.

Any sponsorship that you are able to offer, no matter how small or large will be greatly appreciated. If you have any queries, or would like further information on Maggie's please do not hesitate to contact me on 07701 395 505.

Yours sincerely
